SETTER KEEP A-SMILIN'.

You'd better keep a-smilin' An drivin' back th' cars,
For bears don't pay no heed.
So you'd better keep a-smilin'
Ain't makin' them th' years,
An' have your goodness now.
You'd better keep a-smilin'
While you have your swing.
The years will come, I know;
But you just keep a-smilin',
For somethin' takes th' sting.
Right out it's lots of work.
You'd better keep a-smilin'
Smiler bluster up your face,
An' into the last hope crowd.
For long's you keep a-smilin'
Smiler's shakin' up her pack,
So will an' smile out loud.

From "Taos Gazette."

Sister Rosanna and Divine left for Santa Fe Tuesday, and as before. Revenue is not well. Dr. T. P. Martin accompanied them.

The hay crop around Taos is exceptionally fine this year. Mr. Brooks showed us some about 14 feet long and his and Mr. Leibert's coming second crop are very promising.

Suttorius was served on the County Commissioners of Taos County in case of Frank Stapp vs. County Commissioners of Taos County for payment of \$2500.00 interest and costs for balance due for satisfaction of the delinquent tax list for the years 1891 to 1893 inclusive. Cason and Gorham attorneys for the plaintiff.

A meeting is called for Saturday evening, July 2nd, at the courthouse to discuss the facilities which are to take place on Germania day. It is hoped the Taos people will attend the meeting in large numbers. The influx of people here for the Carnival on that day and the money which they spend means much to our business people, so they should take interest in the coming event.

One of the saddest accidents that ever happened in Colfax county resulted in the death of J. H. Nash at his ranch near Clayton on July 13th at noon. As Mr. Nash and a boy were saddling their horses, he sent the boy into the house on an errand, and held the boy's horse by standing on the end of the rope attached to it. While pinning a saddle on his own horse the boy's horse became frightened and ran. The rope caught around Mr. Nash's leg and he was dragged 300 yards from the house.
